

ESSENTIAL COMPUTER INFORMATION REQUESTED IMMEDIATELY

As the ABA continues to grow, it is imperative that we explore means of distributing information statewide that are efficient, secure, timely, and cost effective. We are currently researching the use of the Internet to post our monthly ABA Newsletter, weekly fax, and other vital information that is currently sent statewide via direct mail. Please take a moment and let us know your computer capabilities. We are updating our files to include websites and e-mail addresses. Please call the ABA office if you have any questions. We appreciate your participation and patience as we strive to make your ABA office work smarter and more efficiently for its broadcasters.
